OUR VISION IS AN INCLUSIVE AND DEMOCRATIC EUROPE IN WHICH PEOPLE ENJOY THEIR FULL POTENTIAL WITH ALL THEIR DIVERSITY
CEJI INSPIRES, ENGAGES, TRAINS AND SUPPORTS CHANGE AGENTS IN EUROPE TO CREATE INCLUSIVE ENVIRONMENTS IN WHICH PEOPLE CAN ENJOY THEIR FULL POTENTIAL WITH ALL THEIR DIVERSITY

Established in 1991, CEJI is a Brussels-based NGO working in the field of diversity education and anti-discrimination advocacy. Our goal is to ensure that the fundamental rights of all peoples are respected.

Our work affirms the uniqueness of each person’s identity, supporting the UN Declaration on Human Rights to protect individuals so that they can reach their full potential. With a diverse staff and a wide range of partners working across a variety of discrimination and social issues, CEJI brings a Jewish interface for intercultural relations and solidarity actions.

THOSE WHO CAN ACCEPT THEIR DIVERSITY FULLY WILL HAND ON THE TORCH BETWEEN COMMUNITIES AND CULTURES, WILL BE A KIND OF MORTAR JOINING TOGETHER AND STRENGTHENING THE SOCIETIES IN WHICH THEY LIVE.”

Amin Malouf
On Identity

SOME PEOPLE CHANGE BECAUSE THEY SEE THE LIGHT, OTHERS BECAUSE THEY FEEL THE HEAT”

R. Stuart-Kotze
Management author and Founder of Behavioural Science Systems

We need both light and heat to create the world we aim to see. The hand-in-hand approach of education and advocacy as a key strategy in CEJI’s mission should not be underestimated. Education tends to illuminate minds and inspire action. Advocacy supports legislation and policies.

EDUCATION

Training is a key for social transformation, shaping attitudes and building capacities to enable individuals to create inclusive environments in all their spheres of influence. CEJI develops innovative training programmes (that are easily transferrable across borders) and trains educators across a variety of sectors, harnessing the multiplier effect and planting the seeds of transformation across the European Union. More than 8,000 multipliers have been trained over the last 15 years with CEJI’s programmes, impacting an untold number of youth and adults in formal and non-formal education contexts. Schools, NGOs, public authorities and community groups are among those touched by one or more of the following CEJI programmes.

- Belieforama: A Panoramic Approach to Issues of Religion and Belief, including:
  - Religious Diversity and Anti-Discrimination
  - Overcoming Antisemitism
  - Overcoming Islamophobia
  - Reconciling Religion, Gender and Sexual Orientation
  - Confronting Discrimination, Facilitating Action
  - A CLASSROOM OF DIFFERENCE™
  - A WORLD OF DIFFERENCE © Peer Training
  - Facing Facts! Hate Crime Monitoring for NGOs

ADVOCACY

With rising intergroup tension and violence, policy-makers must speak out against all forms of bigotry while strengthening anti-discrimination and hate crime legislation. We call upon public authorities to invest in education and training to foster social cohesion.

Joseph Stiglitz
The Price of Inequality

In order to reach our full potential, as individuals, collectives, nations and as a European Union, we must work together to eliminate the legacy of discrimination. CEJI is proud of its membership in the original Starting Line group which helped shaped Article 13 of the Amsterdam Treaty, guaranteeing the right to non-discrimination. Collaboration in coalitions is essential at CEJI to achieve broad-based political change, such as our continued support of the Interparliamentary Coalition to Combat Antisemitism.
